

REQUEST FOR COUNCIL ACTION

<i>Agenda Section:</i> Petitions, Requests, Communications	<i>Originating Department:</i>	<i>Date:</i>
<i>No:</i> 3	City Engineer	09/20/2021
<i>Item:</i> Request for Handicapped Parking to Be Added to 3rd Street and 4th Street		
<i>No.</i> 3.6		

SUMMARY OF REQUESTED ACTION:

There has been a request from Winona County Law Enforcement for 1 additional handicapped parking stall to be added on 3rd Street and 1 additional handicapped parking stall on 4th Street near their facilities to accommodate handicapped patrons during the construction of the new county jail. The areas requested are as follows:

Third Street, southerly side, from 254 feet west of the west line of Johnson Street to 23 feet westerly, thereof.

Fourth Street, northerly side, from 20 feet east of the east line of Washington Street to 20 feet easterly, thereof.

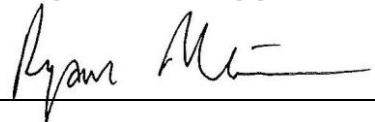

Both of these stalls are currently designated as 2 hour parking, so a revision to the current ordinance for 2 hour parking will be required as well. The amended areas are as follows:

Third Street, southerly side, from a point 20 feet east of the east line of Huff Street to the west line of Winona Street, from a point 40 feet east of the east line of Winona Street to a point 168 feet west of the west line of Johnson Street, and from a point 76 feet west of the west line of Johnson Street to a point 30 feet west of the west line of Johnson Street.

Fourth Street, northerly side, from a point 40 feet east of the east line of Washington Street to a point 20 feet west of the west line of Johnson Street.

If Council concurs, a motion to introduce the attached ordinance would be in order.

Department Approval:

City Manager Approval:
