Item: **Transit Grant Application – Bus Replacements**

No. **5.9**

SUMMARY OF REQUESTED ACTION:

The City Clerk has prepared the transit grant application to the Minnesota Department of Transportation — Office of Transit for funds to replace four transit buses for the Winona Transit Service in 2022.

The State and Federal grant share will provide 90% of the costs of the bus replacements. The balance of the capital costs will be funded through Transit reserves, and a small portion will be paid by the City of Goodview.

If the Council concurs, a motion to adopt the attached resolution would be in order.
