Item: **Chapter 67 Municipal Storm Sewer System Code Edit**

No. **5.4**

SUMMARY OF REQUESTED ACTION:

It has come to our attention that the Zoning District code for the Municipal Storm Sewer System Chapter 67 Code was never updated when the Zonings of M1 and M2 were changed to I1 and I2 so in 67.03 Fees, the M1 label should be changed to I1 and the M2 label should be changed to I2.

If Council concurs, a motion to introduce the attached ordinance would be in order.
