Item: **National Opioid Settlement Participation**

No. **5.6**

SUMMARY OF REQUESTED ACTION:

The Minnesota Attorney General recently notified cities in Minnesota of two proposed nationwide settle agreements on opioid litigation brought by states and local political subdivisions against the three largest pharmaceutical distributors in the US. The notice from the Attorney General provided directions on how to participate in these settlements. The City Attorney has reviewed this notice and recommends that the City agree to participate in this process.

If the Council concurs, a motion to adopt the attached resolution would be in order.
