

REQUEST FOR COUNCIL ACTION

<i>Agenda Section:</i> Petitions, Requests, Communications	<i>Originating Department:</i>	<i>Date:</i>
<i>No:</i> 3	Parks & Recreation	11/15/21

Item: **Request by Women in Business to Hold 5K**

No. 3.3

SUMMARY OF REQUESTED ACTION:

Re: Request for Street Closure

Women In Business would like to request permission to host a 5k & 10k run/walk event on Saturday, February 12, 2022 at 8:30 am. We request that Lake Park Drive from Main to Franklin to Hamilton be closed from 7:30 am to 11:30am. We further request that the City provide barricades at the intersections of Main, Hamilton, and Franklin Streets and Lake Park Drive. We also request police reserves at Main and Lake Park Drive intersections from 8:30 am to 11:30 am and fire/rescue at the finish line and on the route to help individuals who may need assistance during the run/walk.

This event has been successfully held for the last 11 years thanks to the support of the City of Winona, and all of the partners, sponsors, and participants. The event raises funds for a scholarship program that supports students pursuing higher education after high school. Despite the frigid temperatures at that time of year, many families come out to support this fundraiser.

Thank you for your consideration. If you have any additional questions, my contact information is below.
