Item: **Boathouse Restaurant Lease Extension**

No. **3.3**

SUMMARY OF REQUESTED ACTION:

The lease agreement between the City of Winona and the Boathouse Restaurant expires on February 28, 2022. City Staff has met with owners of the Boathouse Restaurant to discuss a new lease agreement. Those discussions have gone well; however, further discussion is needed. Staff is proposing that we extend the agreement for 18 months, so that continued discussions can occur. Further the extension would allow the Boathouse Restaurant to operate without disruption.

If Council concurs a motion to direct the Mayor and City Clerk to execute the extension of the Boathouse Restaurant lease agreement would be in order.
