Item: **Request for Winona Health Think Pink Color Dash 5k**

No. **3.3**

SUMMARY OF REQUESTED ACTION:

Winona Health has requested permission to conduct the second annual, "Think Pink" Color Fun Run / Walk on the East Lake Path in order to raise funds and awareness for breast cancer.

The event will start and end on the Winona Health Campus and travel around the East Lake Winona Path.

The organizer requests use of Unity Park and the closure of the East Lake Park Path and the circle on Parks Ave. Barricades are requested from the Street Department to be dropped off at the location in Exhibit A in the license agreement.

The color dust areas will be located on sections of grass off of the Lake path. The color dust is made of cornstarch with FD&C colors, is non-toxic, washable, and biodegradable. The dust is easy to blow off and wash out of clothing. The dust locations and product has been vetted through the City's Sustainability Coordinator for appropriate use. Winona Health is prepared to clean areas of the path that may become tinted.

The event will be held on Saturday, October 8, 2022 from 8:00 a.m. to 1:00 p.m. Parks Lane will be closed from 8:30 a.m. to 11:00 a.m. or when the last participant finishes. The run / walk will begin at 9:00 a.m.

City staff has prepared and recommends the license agreement that is attached for your review.

If City Council concurs, a motion to approve the license agreement and the closure of Parks Avenue during the duration of the walk/run would be in order.

Department Approval:

City Manager Approval:
