

# REQUEST FOR COUNCIL ACTION

<i>Agenda Section:</i> <b>Required Public Hearings</b>	<i>Originating Department:</i>	<i>Date:</i>
<i>No:</i> <b>2.</b>	<b>City Engineer</b>	<b>06/06/22</b>
<i>Item:</i> <b>Proposed 2022 Sidewalk Replacement Project and Preliminary Assessment Roll</b>		
<i>No.</i> <b>2.1</b>		

## SUMMARY OF REQUESTED ACTION:

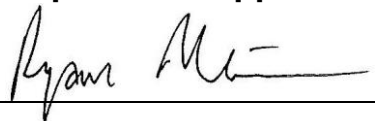

This is a public hearing pursuant to mailed and published notice to consider the construction of the 2022 Sidewalk Replacement Project.

Under this project, sidewalks would be removed and replaced on 103 different properties; additional curb and gutters would also be replaced. The project is estimated to cost a total of \$192,360.74. The estimated amount to be specially assessed, including the City's administrative, engineering and bond costs, is \$90,655.74 and the City will be responsible for \$101,705.00. This amount is budgeted. The assessable portion would be assessed against the properties benefiting from the project.

An opportunity shall be given to anyone affected wishing to speak for or against the proposed project and resulting assessments.

After the hearing, if Council concurs, a motion to adopt the attached resolution to order the improvements and to advertise for bids would be in order.

**Department Approval:**

**City Manager Approval:**
